

## 16th IACC Agenda Shapers Profile

IACC Agenda Shapers are experts from different walks of life that help make the IACC anti-corruption agenda even better. The members tend to be creative and forward thinkers, with a wealth of experience within their field of expertise. The agenda shapers know how to make the links between the IACC theme, corruption and the most pressing global challenges, and are eager to connect new audiences with IACC discussions and anti-corruption priorities.

The Agenda Shapers is an advisory group to the IACC Secretariat in the design of the 16th IACC thematic agenda. Members are invited in their individual capacity as an expert. The term of service will be for 14 months, starting as soon as feasible and ending on January 2015. The secretariat to the 16th IACC Agenda Shapers is based at Transparency International Secretariat in Berlin.

The Agenda Shapers are also invited to suggest sessions they would wish to organise.
